

Fund for Inclusive Excellence

HACC, Central Pennsylvania’s Community College, is committed to providing a quality and accessible higher education opportunity for all students. We welcome a diverse student population and insist on a policy of inclusiveness. HACC recognizes its responsibility to maintain an environment that affirms the diversity of people and ideas.

The Fund for Inclusive Excellence provides the funds needed to ensure that inclusivity remains entrenched in every aspect of HACC’s culture. We are committed to being on the front line when it comes to implementing innovative programs and procedures that ensure HACC is an open and accepting space for everyone. With YOUR support, every student, regardless of race, gender, ability, sexual orientation or socio-economic status, will continue to be welcomed and accommodated on all of our campuses through innovative programs like:

The Center for Inclusive Excellence

The Center for Inclusive Excellence will be an open and accepting space for students of all backgrounds to congregate and develop relationships. It will also provide a space for guest speaker presentations, minority club meetings and mentoring programs.

Minority Mentoring

This program would ensure that minority students feel welcome and have the resources that they need to succeed at HACC. By being paired with other students, students will have an opportunity to reach out if they begin to have any issues inside or outside of the classroom.

The President’s Award for Inclusive Excellence

This award would be given to employees who have gone above and beyond to create a culture of acceptance at HACC. We recognize that encouraging employees to pursue inclusivity in every interaction with students truly promotes a collegewide environment of inclusiveness, respect and cultural competence.

Unfortunately, initiatives like this are not commonplace in higher education. YOU can help HACC set the standard for inclusivity and acceptance in higher education by visiting hacc.edu/GiveNow to make a gift to the Fund for Inclusive Excellence.

For more information, on how you can help improve the education of our international students, please contact the HACC Foundation at foundation@hacc.edu.

“Through workshops, lectures, trainings, certifications and community engagement opportunities, the Fund for Inclusive Excellence has the potential to develop opportunities that are not in existence at any other community college in Pennsylvania.”
