[Fade in on shot of AMANDA HARTZEL, HACC Gettysburg Campus Director, Tutoring and Testing, sitting at table]

[Fade in music]

**AMANDA**

My name is Amanda Hartzel. I am the director of tutoring and testing at the Gettysburg Campus

[Cut to close-up of AMANDA talking]

**AMANDA**

and I am the chair of the Gettysburg Student Success Committee.

[Cut to shot of two students doing schoolwork in the library]

**AMANDA VO**

The Student Success Fund for Excellence at the Gettysburg Campus

[Cut to shot of a student doing schoolwork in the library]

**AMANDA VO**

is really a brainchild from our Gettysburg Student Success Committee.

[Cut to a rack focus shot of one student in the hub area to another sitting at the same table]

**AMANDA VO**

So this would allow us to implement

[Cut to shot of a student laughing in the hub]

**AMANDA VO**

many of our

[Cut to shot of a student laughing in the hub]

**AMANDA VO**

initiatives because otherwise

[Cut to shot of a student laughing in the hub]

**AMANDA VO**

we would not be able to afford to do them.

[Cut to shot of shadows of students passing through a hallway]

**AMANDA VO**

Many of our students are faced with the challenge of food insecurity.

[Cut to shot of a HACC Gettysburg Campus sign]

**AMANDA VO**

So the first example is

[Cut to shot of HUB banners on the ceiling]

**AMANDA VO**

our Subway coupons.

[Cut to photo of two Subway employees with the HACC hawk holding a sign that reads, "Eat Fresh at YOUR HACC – Gettysburg Subway!"]

**AMANDA VO**

At our campus we have a Subway

[Cut to close-up shot of a student writing]

**AMANDA VO**

and when students

[Cut to shot of shadows of students passing through a hallway]

**AMANDA VO**

are recognized that they cannot afford a meal we have donations that have been given to us

[Cut to photo of a faculty member holding a sign that reads, "Faculty are here to support YOUR academic success!"]

**AMANDA VO**

through staff and

[Cut to photo of a faculty member holding a sign that reads, "YOUR Math Department welcomes you!"]

**AMANDA VO**

faculty

[Cut to photo of staff members holding a sign that reads, "We are committed to YOUR success!"]

**AMANDA VO**

to give a student a coupon

[Cut to photo of faculty members holding a sign that reads, "We are here for you! Just ASK."]

**AMANDA VO**

for a meal.

[Cut to close-up of AMANDA talking]

**AMANDA**

That's one of the initiatives. The next one is give Give Back HACC. This is a program that we do every year around the holidays

[Cut to close-up shot of a student using a calculator and taking notes]

**AMANDA VO**

and we help between 25 and 35 students.

[Cut to close-up shot of a student writing]

**AMANDA VO**

These are students that will receive food

[Cut to close-up shot of a another student writing]

**AMANDA VO**

and food gift cards, so that these students

[Cut to photo of a holiday gift box]

**AMANDA VO**

can provide a meal during the holiday season.

[Cut to close-up of AMANDA talking]

**AMANDA**

And then the last one is the one that we're pretty excited about.

[Cut to shot of "We heart HACC" sign on fireplace mantel]

**AMANDA VO**

It is called the HACC cares box.

[Cut to photo of a basket of food and gift cards]

**AMANDA VO**

It is a physical box that will have supplies in it,

[Cut to close-up of AMANDA talking]

**AMANDA**

food and other necessary items that our students can take as they need.

[Cut to shot of a student and tutor working together]

**AMANDA VO**

At the end, if we could touch someone

[Cut to shot of tutoring talking]

**AMANDA VO**

and make them feel like we care about them as a community,

[Cut to shot of HACC employees holding a “welcome” sign and waving outside of the main entrance]

**AMANDA VO**

as a campus, that's what it's all about, in addition to getting a great education.

[Cut to close-up of AMANDA talking]

**AMANDA**

Please join me in giving to the Student Success Fund for Excellence at the Gettysburg Campus.

[Music fades out]
