

# Scholarships

Collegewide Goal: \$2 million  The goal has been achieved.

Many students at HACC, Central Pennsylvania's Community College, struggle to pay tuition and fees, buy books and pay their living expenses while juggling family, work and classes. YOU can help us help students achieve their goals through scholarships.

The total number of scholarship applications we receive each year far exceeds the number of scholarships we can award to students. In academic year 2016-17, we awarded scholarships to more than 600 students; however, more than 2,300 students applied for a scholarship.

In today's job market, many jobs require some post-secondary education. HACC has many certificate, diploma and associate degree programs that help our students meet employers' need for qualified workers.

The price of higher education is a barrier for many students to attend or finish college. YOU can help HACC students achieve their goals by visiting [hacc.edu/GiveNow](http://hacc.edu/GiveNow) to:

**Make a gift to one of more than 200 existing scholarship funds.**

**Establish a new annual named scholarship fund with a minimum \$3,000 gift.**

**Establish a new endowed named scholarship with a minimum \$35,000 gift.**

Eligibility requirements for each new scholarship fund are defined by the donor.

For more information on how you can help provide scholarships for HACC students, please contact the HACC Foundation at [foundation@hacc.edu](mailto:foundation@hacc.edu).

*"It [the scholarship] has helped me to better provide for my children while attending school and working full-time."*
