

Lancaster Campus Scholarships

Goal: \$600,000

HACC's Lancaster Campus has confidence in the talent among its more than 4,100 students and believes in preparing students to become exemplary workers in business and industry throughout Lancaster County.

Scholarships make a tremendous difference in a student's ability to attend or remain in college since many students are balancing full-time or part-time jobs, family and personal commitments.

Investing in Lancaster Campus scholarships is investing in both the students and a robust, vibrant future for Lancaster County.

Healthcare Scholarships

These scholarships will support students enrolled in the campus' Cardiac Sonography, Radiologic Technology, Phlebotomy and Radiologic Informatics programs.

Merit-Based Full Scholarship

The Lancaster Campus will establish a full merit-based scholarship to attract those students with the potential and promise to make an impact in the county.

Lancaster Campus New and Existing Funds

Additional contributions would allow HACC to award scholarships to more eligible students. New scholarship funds in honor or memory of a family member, friend, professor or organization will help HACC recruit and retain students who would not otherwise be able to afford higher education

Nursing Scholarships

Nursing majors make up the largest group of students on the Lancaster Campus, with more than 1,000 students enrolled. These scholarships allow students to focus on meeting the rigorous academic requirements of the program instead of financial instability.

Lancaster Opportunity and Access Scholarship

This general scholarship fund allows us to offer financial assistance to a large number of students at the Lancaster Campus.

Veterans Scholarships

HACC has a long-standing relationship with the Pennsylvania Department of Veterans Affairs and a commitment to offer financial assistance to veteran students. This scholarship will help alleviate some costs for those who have bravely fought for our freedom.

For more information, please contact the HACC Foundation at foundation@hacc.edu.

"The scholarship can make the difference between attending school or giving up on education. It can mean better food on the table for the kids, or gas in the car or heat in the house. Scholarships are life changing as well as inspirational and uplifting emotionally. It's a humbling feeling as well as an encouragement to receive one, to know that someone or a group of people see worth in you as a person is invaluable and worth way more than just money."

- Julie A. Greenhalgh

Gratefully YOURS.
