

Verification of High School Graduation

The State Board of Nursing (and most other health career programs) requires that students provide official documentation of high school graduation or equivalent before beginning programs.

Documentation must be opened by a HACC official. Student copies of high school records or diplomas are NOT acceptable.

Official high school transcripts or GED should be submitted to:

HACC
Central Enrollment Services, H122
One HACC Drive
Harrisburg, PA 17110-2999

If documents are sent to the student, they must remain sealed until opened by a HACC official.

Education	Documentation
Graduates of U.S. high schools:	A high school transcript that includes date of graduation and is signed by a high school official
HiSET, TASC, or GED	<p>In an effort to enhance services for individuals who receive the Commonwealth Secondary School Diploma, the Pennsylvania Department of Education is transferring all of its diploma and transcript processing services to DiplomaSender.</p> <p>Effective October, 1, 2016, all Pennsylvania high school equivalency diplomas and transcripts for the GED test, HiSET exam, as well as those awarded through the 30 College Credit Option, will be handled by DiplomaSender.</p> <p>To request a copy of a transcript, diploma, or letter of verification of high school equivalency, visit www.diplomasender.com</p>
Graduates of non U.S high schools	Evaluation of secondary school record that shows high school graduation by HACC-approved credential evaluation service .
	Completion of a GED
	Completion of a Commonwealth Secondary Diploma https://www.education.pa.gov/Postsecondary-Adult/GED%20and%20Commonwealth%20Secondary%20School%20Diploma/Pages/30-College-Credit-Option.aspx

Students with credentials from states other than Pennsylvania should contact the appropriate agency in that state.
