

Federal Background of Investigation (FBI) Report Instructions

Please read and follow the instructions how to request an FBI report from the **Department of Education**.

The fingerprint-based FBI report is a multiple step process, as follows:

- **Pre-register to get your fingerprints** – You must register before going to the selected fingerprint site. Pre-enrollment can be completed online or by phone.
 - To pre-register by phone, call: 844-321-2101 Monday through Friday, 8am to 6pm EST.
 - During the pre-enrollment process, all of your demographic data (name, address, etc.) is collected. You will also know what forms of photo ID must be brought with you to the fingerprinting appointment.
 - If pre-enrolling online, the website is: <https://uenroll.identogo.com/>
 - You must enter the Service Code **1KG6NX** to ensure fingerprints are processed correctly and for the right purpose. (“1KG6NX - Pennsylvania PDE-Area Vocations Technical School (AVTS)”) must appear at the top of the screen. If it doesn’t, you must click the “Back to Home” button and begin the process again by re-entering the correct Service Code **1KG6NX**. If you proceed with the process under the incorrect code, you will be required to start the process over and pay for another FBI report.)
 - Follow the instructions provided and complete each field accurately.
 - **Payment** – You will be charged a fee for the fingerprinting service when you get your fingerprints processed. Major credit cards as well as money orders or cashier’s checks payable to **MorphoTrust** will be accepted on site. No cash transactions or personal checks are accepted.
 - **Fingerprinting Locations** – After pre-registration, proceed to the selected fingerprinting site where you made the appointment. The location of the fingerprinting sites and their hours of operation are listed on the website. Please select a fingerprinting location that is convenient for you.
 - **Preparing to be Fingerprinted** – You must bring an approved State or Federal photo ID with you to be fingerprinted. A list of approved ID types can be found on the Identogo website. Examples of an approved ID is a State-issued photo driver’s license or passport. You will not be processed if you cannot produce an acceptable photo ID at the time of your appointment. After your identity has been established, all ten of your fingers are scanned. The entire fingerprinting process should take no more than five minutes.
 - Once your fingerprints have been scanned, you will receive an UNOFFICIAL FBI LETTER of your FBI report. (You will receive only one copy of this letter so please do not discard it.)
 - Once you receive your unofficial FBI letter, you must send a written request to the PDE by email or fax ONLY requesting the official FBI report.
 - Please send the written request to the designated and approved PDE staff members at:
 - Sheri Weidman, Coordinator, NATCEP
