FOR LPNS ONLY
LPN Transitional Track students receive credits for NURS 140, 141, 144 by providing current unencumbered PA practical nursing license and official transcript showing successful completion of a practical nursing program. Acceptance into the clinical component of the Associate Degree Nursing program as an LPN transitional track student is competitive and is based on published admission criteria and point system.

• The accepted time limit for science courses (HACC or transfer) for use in health career program requirements is 7 years.
• The student who enters the Associate Degree program as an LPN will have the opportunity to earn credit for Nursing 150, 242, 243, and 244 by completing the Assessment Technology Inc. (ATI) Proctored Assessments and scoring at a passing level, as determined by the nursing department
  o Nursing 150 - Fundamentals of Nursing ATI Proctored Assessment
  o Nursing 242- Obstetrical Nursing Care ATI Proctored Assessment
  o Nursing 243- Pediatric Nursing Care ATI Proctored Assessment
  o Nursing 244- Mental Health Nursing Care ATI Proctored Assessment

Clinical course sequence by semester – for full-time students, courses and finals will be offered in two-part semesters - weeks 1-7 and weeks 8-14. Part-time students have same courses over the full 14 week semester. Note – 4-semester program semesters include Fall & Spring. The 8-semester program semesters include Fall, Spring and Summer.
