

Train to Become a Reflexologist at HACC!

Reflexology is the art and science of using pressure points to facilitate stress reduction and relaxation to help heal and revitalize the body. Reflexologists do not need to be massage therapists. However, reflexologists can still provide holistic health services within spas, yoga centers and private practices.

HACC's Reflexology Certification Prep Course:

- Prepares you for the national certification exam with the American Reflexology Certification Board
- Can be completed in three months (112 hours) over six weekends
- Qualifies you for 100 continuing education units with the National Certification Board of Therapeutic Massage and Bodywork (NCBTMB) and the Pennsylvania State Board of Massage Therapy

Location: HACC's Harrisburg Campus,
One HACC Drive, Harrisburg, PA

Cost: \$1,995
