Find YOUR Program at One of HACC's Five Campuses or Online.

With approximately 100 programs, five campuses and online learning, we have something for you.

"HACC made the process of starting college later in life feel approachable and possible. HACC lowered the 'intimidation factor' with good information on how to start a college pathway as a working adult."

- Derek Eberly, HACC Alumnus

Specific information about each program is available at **hacc.edu/2019Programs**.

Definitions:

Associate in Arts (AA) - These degrees are designed as transfer programs.

Associate in Fine Arts (AFA) – These degrees are designed as career programs.

Associate in Science (AS) – Some are designed as transfer programs and others are career programs.

Associate in Applied Science (AAS) – These degrees are career programs.

Career program - For students who want to begin their career after graduation, this type of program provides concentrated, in-depth study in a specific field. These are a minimum of 60 credits.

Certificate – For students who are focusing on a specifically defined occupational goal, this type of program is designed to be completed in two terms. Students have satisfied the work required in a minimum of 30 credits.

Diploma - For students who need to acquire a technical skill as quickly as possible, this type of program includes a minimum of 16 credits and is designed to be completed in one term.
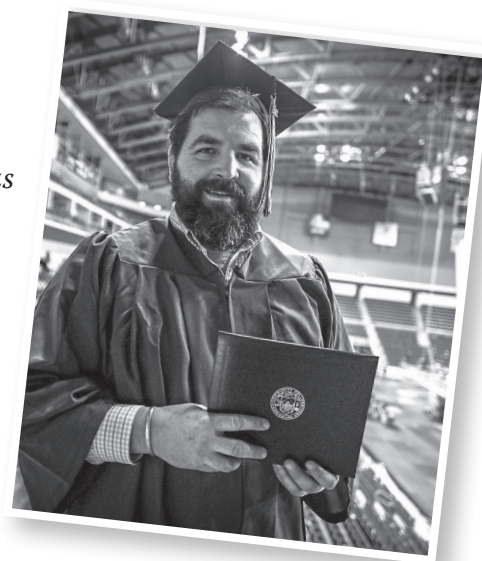

Noncredit - Students are awarded a certificate of completion. It means students have attended at least 80 percent of the hours of the class or program.

Transfer program – For students who want to receive the first two years of education and plan to transfer credits to earn their bachelor's degree.

X - The program can be completed in its entirety at the campus.

o - The program can be completed in its entirety online.

* - The program can be completed in its entirety at the campus if some online classes are taken.
