This requirement does not apply to individuals who have a current/non-expired Pennsylvania EMS certification, or for reregistration of a Pennsylvania EMS certification. It also does not change the requirements for individuals applying for Certification by Endorsement (CBE).

To get an FBI background check in PA, register online at uenroll.identogo.com, enter service code 1KG756, and select "Schedule or Manage Appointment" to complete your application. You will then need to go to an approved fingerprinting location with the confirmation email and valid photo ID to have your fingerprints taken.

We recommend scheduling an appointment as soon as possible. It may take several weeks to get an appointment.

If you have any questions, please contact your regional EMS council or Jenni Hoffman, EMS Program Manager, at jennihoffm@pa.gov.
