Lethal Weapons Training

The PLEC of HACC, Central Pennsylvania's Community College, is a certified center as specified by the Pennsylvania Lethal Weapons Training Act 235. Each participant who receives an approval letter from the Pennsylvania State Police (PSP) to attend this course and successfully completes the program will be certified by the PSP, Lethal Weapons Certification section. This training is designed for an individual, 18 years or older, who is employed for the purpose of providing security, protective patrol, detective or criminal investigative services for a fee and who carries a firearm, baton or other lethal weapon in the course of his/her employment. In order to be certified, the applicant must pass a physical, psychological examination, and a criminal history check. Appropriate PSP application forms must be completed by the applicant.

The certification is not one of attendance, but of successful completion.
