Commercial Driving License Certification (CDL) Program

HACC’s Commercial Driving License Certification (CDL) Program will take you through the process to obtain a CDL license to operate a Class “A” or “B” commercial vehicle. The program will prepare you to obtain your CDL and continue to fine-tune your skills after passing the state exam.

Drive YOUR Way Through HACC’s CDL Training Program!

For additional information regarding any of our programs, please call 717-221-1357 or email CDL@hacc.edu.

In order to register for HACC’s CDL Program, you must meet with a program representative to review requirements and obtain additional information prior to registering. Please call 717-221-1357 to set up an appointment.

Students requesting refunds one business day prior to the first class meeting will receive a partial refund. No refund of tuition or fees will be made if the request is made less than one day before the start of class.

HACC, Central Pennsylvania’s Community College, reserves the right to make tuition changes. If the number of enrollment is insufficient or an emergency situation should occur, courses may be canceled with limited notice.

TUTORING for EXPERIENCED DRIVERS

This program is personalized based on:
- The experience of the driver
- How much time the driver needs behind the wheel in order to pass his/her CDL test

Program Length: Five weeks (200 hours)

Days and Time(s): Monday – Thursday, 7:30 a.m.-5:30 p.m.

Section 50017: July 22 – Aug. 22, 2019
Section 50019: Aug. 26 – Sept. 26, 2019
Section 50020: Sept. 30 – Oct. 31, 2019
Section 50022: Oct. 28 – Nov. 27, 2019
Section 50023: Nov. 18 – Dec. 19, 2019

CUSTOMIZED TRAINING

HACC’s experienced staff is able to customize a training program to fit your personal or company’s unique needs.

Examples:
- Defensive Driving
- Refresher Training
- Safety Evaluation
- Train the Trainer
- CDL for Diesel Mechanics
- Class “B” Training – Automatic Transmission
- Class “B” Training – Manual Transmission
- Upgrade to Class “A” Training

Diesel Technician Program

HACC’s 200-hour program combines theory and hands-on training that can lead you to an apprenticeship and jobs in fields that utilize diesel-powered equipment. Starting salaries for these entry-level positions average $21,000-$32,000, depending on experience.
