Harrisburg Area Community College (HACC) is sending this addendum #2 to answer questions received, to better clarify the specific requirements of RFB14-13, Lease of PCs and Laptops.

- Q. I was looking to see if you will be entertaining bids from leasing companies for this project. If you are, is there a rough dollar amount we should use to base our bid on since there is no equipment cost listed here?
- A. The makes/models and specifications were listed to allow everybody to bid, including leasing companies, thus allowing all vendors the opportunity to obtain their most competitive price on the specified equipment.

Additional questions of clarification may be emailed to: procurement@hacc.edu
