

Subject: Important Instruction and Student Services Updates and Questions Answered – Aug. 4, 2021
Date: Wednesday, August 4, 2021 3:56:09 PM

Greetings.

The Centers for Disease Control and Prevention (CDC) recently issued revised [guidance](#) related to masks. As a reminder, HACC has not changed its policy regarding masks since the start of the pandemic. Anyone approved to be on a HACC campus – even if they are fully vaccinated – is required to wear a mask that completely covers their nose and mouth at all times while on campus. Wearing a mask is a simple but important measure to help limit the spread of the coronavirus.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called “Information for Students.”

We will continue to update you regularly via email and the aforementioned website.

Thank you!

John J. “Ski” Sygielski, MBA, Ed.D.
President & CEO
HACC, Central Pennsylvania’s Community College
