

Subject: Important Instructional and Student Services Updates and Questions Answered – April 7, 2021
Date: Wednesday, April 7, 2021 4:50:04 PM

Greetings.

As we open the campuses for more in-person classes and student services in the fall 2021 semester, we will remain vigilant in our efforts to ensure the safety and well-being of our students and employees.

We will continue to use a multi-layered cleaning process approach for classrooms, specialized labs, offices, restrooms and common areas. They will do so with routine cleaning, high-touch disinfection with [EPA-approved disinfecting products](#) and additive technology for disinfecting with the [electrostatic spray guns](#) and the [Diversey UV-C Moonbeam™3](#) units. All of this is being done to mitigate the risk of COVID-19 spread.

To increase protection:

- We will install plexiglass dividers and panels in high-use areas.
- We are also working to establish the wellness protocols that will further enhance safety for our fall return to campus.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called “Information for Students.”

We will continue to update you regularly via email and the aforementioned website.

Thank you!

John J. “Ski” Sygielski, MBA, Ed.D.
President & CEO
HACC, Central Pennsylvania’s Community College

1. I am considering combining my money with my significant other's. Do you have any advice?

We understand money can be a touchy subject, one that people sometimes avoid discussing with their significant others.

The webinar, "[From Me to We](#)," by PSECU explains how to approach the topic, what items to consider and action steps you can take to successfully combine your finances.

PSECU's Financial Education Center at HACC is available for virtual office hours by phone or Zoom. Please contact Jennifer Nicrone, PSECU community manager, at jnicrone@psecu.com to schedule an appointment.

Please **do not** include personal information (such as your bank account number and social security number) in your email message.

2. Looking beyond the 2021-22 school year of masks and limited on-campus classes, what CDC-recommended procedures does HACC plan to continue after the lockdown is lifted?

HACC will continue to follow the [COVID-19 Guidance for Businesses](#) provided by Governor Tom Wolf and all COVID-19 related information found at hacc.edu/Coronavirus.

The College is also working with a consultant to assess and enhance the collegewide heating ventilation and air conditioning (HVAC) systems for increased air flow, upgraded filters and additional equipment to scrub the air to ensure a safe learning environment.

3. How do I report a positive COVID-19 test result to HACC?

Please email corona@hacc.edu.
