1. Where can I learn more about planning for a baby? It's overwhelming! Help!

We understand that planning for a baby can be stressful and overwhelming. The webinar, "[Baby on a Budget](#)," provided by PSECU, covers topics to make sure you're meeting your baby's needs and YOUR financial goals.

PSECU's Financial Education Center at HACC is available for virtual office hours by phone or Zoom. Please contact Jennifer Nicrone, PSECU community manager, at jnicrone@psecu.com to schedule an appointment.

Please **do not** include personal information (such as your bank account number and social security number) in your email message.

2. I heard that the Pennsylvania Department of Health (DOH) will be administering COVID-19 testing on the York Campus. Can you please tell me more about this?

HACC's [York Campus](#) will be included as a site for COVID-19 testing. DOH is managing the entire process in cooperation with [AMI Expeditionary Healthcare](#). This is not a HACC event.

The testing site will be located in the rear parking area of the Governor George M. Leader Building. Testing is open to the general public Feb. 5-9, 2021, from 9 a.m.-6 p.m.

To limit the possibility of COVID-19 exposure to our students and employees and out of respect for DOH, we will close access to the Leader Building parking area on the dates of the testing. If you are a student or essential worker approved to be on campus and your work or class schedules are affected by this event, you will be notified via email. All students and employees will be routed through the wellness screening process at the William F. Goodling Center.
