Good evening, colleagues.

As you know, additional cases of the coronavirus have been reported in Pennsylvania. At this time, no cases have been confirmed in the [11-county area](#) that we serve.

The Cabinet and I have a preparedness plan and communications plan. We are monitoring the situation and are prepared to make decisions that are in the best interest of our students, employees and community.

Please visit hacc.edu/Coronavirus for updates as this situation develops.

Thank you!
