Greetings, HACC student!

You are showing resiliency, flexibility and grit during these remarkable times. This [special thank-you message](#) is for you.

As we continue to practice physical distancing, I encourage you to take some time every day to engage in an activity that gives you joy. I tweeted [this article](#) that offers some ideas. Although we do not want to diminish the seriousness of this pandemic and its impacts on our lives, families and communities, we must still take care of our emotional health.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called "Information for Students."

We will continue to update you regularly via email and the aforementioned website.
