# Description of Student Club/ Organizations

## Student Government Association

The SGA at HACC provides students with a strong voice in the overall governance of the college. The SGA represents the entire student body and works closely with all components of the College community, such as the administration, Faculty Council, and various College Committees. Through involvement in decision-making at the College, SGA strives to ensure that the interests and rights of all students are served.

## African American Student Association

AASA serves as a student and community focus for social and cultural activities involving and concerning Black Students. AASA presents avenues in which to expand awareness of Black history and its cultural, Black heroes and the current problems facing the black student.

## Architecture & Construction Club

ACC consists of student affiliates of both the American Institute of Architects and the Construction Specifications Institute. Club members assist professional organizations and gain an incredible opportunity to network with people in these fields, and to keep abreast of new technology.

## Ceramics Club

The Ceramic Club provides an environment where those interested in ceramics can meet, learn and share in their common interest.

## Christian Student Fellowship

CSF provides fellowship and encouragement to club members and provide a base to sponsor various educational activities on campus, e.g., Bible studies, lectures, and arts.

## Culinary & Pastry

To promote knowledge and experience for students in all aspects of Hospitality, from hotels and food operations, including commercial and institutional environments.

## Dramatic Arts Club

The purpose of the HACC Dramatic Arts Club is to provide students with an opportunity to learn about and appreciate the dramatic arts.

## Engineering & Technology Club

The purpose of the E & T Club is to gather students interested in all aspects of engineering and related technologies to discuss ideas and topics pertaining to the field.

## Glass Learning Alliance of Students

G.L.A.S. promotes awareness in glass as an art form. The club provides opportunities to educate students and others about the design of making glass.

## HACC Japanese Animation & Culture Club

HACC JACC offers students interested in Japanese animation, known as anime, and the Japanese culture through various media presentations.

## International Awareness Club

IAC provides awareness of other cultures and to build a stronger relationship between America and foreign students, as well as introduce to the student body different concepts, cultures, value systems and educational perspectives of the HACC community.

## Modern Muslim Association (MMA)

The purpose of the Modern Muslim Association is to provide an opportunity for Muslims on campus to meet and discuss Islam with each other and to educate others about Islam.

## Mosaico

The purpose of Mosaico Club is to gather Latino students in order to affirm, validate, nurture, and support common language, and cultural and academic goals through social, educational and cross-cultural interaction.

## Music Club

To afford students with interests in all aspects of music the opportunity to interact with like-minded individuals. To enrich the local and campus community through music and providing a creative platform for its members.

## Nursing Student Organization

NSO provides avenues for academic advancement of nursing students as well as providing a social interaction and basic methodology for problem solving.

## Phi Beta Lambda—Business Club

The purpose of PBL is to develop competent business leadership, strengthen the confidence of students; develop character, prepare for useful citizenship, and foster patriotism.

## Pulse Echo

The Pulse Echo Club create opportunities for Diagnostic Medical Sonography students to foster an awareness of the Diagnostic Medical Sonography profession to the community and recognize the clinical instructional staff at clinical affiliates.

## Social Inquiry/Social Action Club

SISA— Advocates and provides awareness of sociological inquiry and change through research and discussions of contemporary social issues relevant to the college and regional, national, and international constituencies.

## Society for Student Designers (SSD)

This club is for students that have a desire and passion for graphic design. Students can come together to discuss new designs, layouts, and graphics.

## SPB—Student Programming Board

SPB works closely with the Office of Student Development and Multicultural Programming to plan the HACCtivity calendar each semester. SPB host a large variety of educational, multicultural, social and entertainment programs that includes Tunes@Noon, Sealed With a Poem, Cultural Experiences, monthly Game Shows, Make 1, Take One, HACC Spirit Days, RoadTrips and may special events.

## Student American Dental Hygienist Association

SADHA gathers to cultivate, promote, and sustain the art and science of dental hygiene as well as provide a network for students in the dental hygiene field.

## Stitch & Batch Club

Stich and Batch desires to provide a place for the gathering of information, skills and assistance for those wishing to learn, continue learning or participate in needlework, yarn work and baking.

## Surgical Technology Club

The Surgical Tech Club creates opportunities for advancement as well as social networking for students majoring in Surgical Technology.

## The Fourth Estate

The Fourth Estate is the student newspaper, written, edited, and published by a student staff. The Fourth Estate is published monthly and contains news, editorials, opinions, and features to keep students informed of the current issues of the college thought and action.

## Wildwood Journal

The Wildwood Journal is a literary arts publication of HACC featuring contemporary poetry, graphics, photography, and short prose. Submissions are open to students regardless of major.
