Immerse yourself in the language and culture of Costa Rica!

This is an excellent opportunity for students to advance their Spanish language studies and become more marketable in their profession - all while expanding their global horizons. Costa Rica is well known for peace, environmental leadership, and a natural beauty. Throughout this four-credit program, you will live with Costa Rican families and attend language classes 5 hours a day (Monday-Friday). We will tour the capital and Poas Volcano and engage in enlightening (and optional) evening activities such as hiking, zip-lining, horseback riding and nature visits to see why Costa Rica is one of the happiest places on Earth.
