Nursing students from HACC, Central Pennsylvania’s Community College, will have a unique opportunity to experience the culture of Guatemala while providing health education and performing basic nursing assessments in a community clinic setting.

Students will examine the culture and healthcare delivery system of Guatemala through attendance and participation in small community presentations, dinners and travel to local attractions. Students will be challenged to transform learning from one culture to a broader perspective when providing care in a multicultural society.
**Class Dates:**
Feb. 8, 2020, from 8 a.m.-noon
Feb. 22, 2020, from 10 a.m.-noon
