This unique travel experience will allow students at HACC, Central Pennsylvania’s Community College, to explore the rich culture and history of Spain and Morocco. The diverse history and geography encountered will allow students to examine different cultures, religions, languages, and customs.

HACC has developed an enriching opportunity to learn about this region, and we will travel to the following cultural and historical locations: Madrid, Seville Fez, Granada, and Tangiers.

HACC is working with Northwest Arkansas Community College and Northampton Community College to develop this program. Participants will have the opportunity to earn college credits, meet other travel-interested students and have the experience of a lifetime!
