

# AGREEMENTS

HACC works with transfer institutions to provide several options for students to continue their education. Students are strongly encouraged to meet with their academic advisor to review agreement details and benefits.

**Dual Admission.** A student submits a “Letter of Intent” available from the four-year admission representative to their academic advisor at HACC. Student must apply before completion of 30 college level credits. Student must maintain the required GPA for program admission, and follow the course equivalencies of a program parallel to the desired transfer program. Benefits include accurate course transferability, access to campus resources and some institutions may waive their application fee.
