

CULINARY ARTS, Associate in Applied Science Degree - 1586

Business Studies Department

CIP Code: 12.0503

The Culinary Arts AAS program is designed to lead directly to employment as it provides students with instruction in food preparation, production and service in the classroom and in on-campus labs. Students gain supervised industry experience at multiple on- and off-campus commercial food and beverage operations that are both open to the public and involves both production and service rotations. This degree is accredited by the American Culinary Federation Education Foundation (ACFEF). Graduates with an ACF membership are awarded Certified Culinarian (C.C.). This program may be completed at the Harrisburg Campus through on-campus/in-person instruction.

Career Opportunities

Graduates obtain positions as chef, sous chef, and food production supervisor in restaurants, catering companies, hotels, resorts, or food service contract companies.

Competency Profile

This curriculum is designed to prepare students to:

- Apply industry sanitation and safety procedures
- Demonstrate foundational cooking techniques and knife skills
- Compose a complete meal including culinary and bakery items using standardized recipes
- Exhibit management skills in professionalism, employee relations, food and beverage service, menu design, food purchasing, inventory, and cost control
- Create working recipes based on developed flavor profiles, food costs, and nutritional values
- Demonstrate leadership and industry experience needed to be successful in a food and beverage operation
