

## ENGLISH, Associate in Arts Degree - 2076

English Department

CIP Code: 23.0101

The English AA program is designed for students who plan to seek a four-year degree specializing in English or English Education. This program provides students with courses in literary criticism and literature - the core of many four-year English majors. It is also structured to provide students with the opportunity to select 6-credits of specific electives from within the English discipline, as well as 15-credits in Transfer Electives. These electives are designed to allow students the ability to select coursework that complements their study of literature and augment their understanding of literary context, as well as help to fulfill any requirements needed from their chosen transfer institution. Because institutional requirements vary, however, students should choose an intended transfer institution as soon as possible and carefully follow the program described in that institution's college catalog. This program may be completed entirely through asynchronous instruction.

### Transfer Opportunities

This transfer curriculum is provided as a guide for students planning to transfer to a baccalaureate degree granting institution in English or English Education.
