# LIBERAL ARTS, Associate in Arts Degree - 2091 

Communication, Humanities and the Arts Department
CIP Code: 50.0101
The Liberal Arts, AA program is designed for students who plan to seek a four-year degree specializing in English or English literature, History, Humanities, Music, World Languages, Philosophy, or related major at a four-year institution. This program provides students with the opportunity to select from a variety of courses to fit their area of interest and/or explore topics within the liberal arts. Since the requirements of senior institutions vary widely, it is essential that students choose an intended transfer institution as soon as possible and carefully follow the program described in that institution's college catalog. This program can be completed entirely online. This program may also be completed at the Lancaster and York campuses provided students take some of their required coursework through multiple modalities (e.g. Blended, Online and/or Remote Learning). This program may also be completed at the Harrisburg Campus. However, to fulfil the program requirements, students will need to take more than $51 \%$ of their required coursework through multiple modalities (e.g. Blended, Online and/or Remote Learning).
