

# SOCIAL SERVICES, Associate in Arts Degree - 5060

Social Science Department

CIP Code: 44.0701

The Social Services AA degree prepares students for transfer to four-year colleges and universities offering baccalaureate degrees in social work, psychology, human services, or other social service professions. This degree also prepares students for work in the Human Services field. Students are required to complete a Pennsylvania Child Abuse History Clearance, FBI Criminal Background Check, and a State Police Criminal Record Check prior to enrollment into the practicum course. If the student has any questions regarding this, he or she should contact the Program Director or Practicum Coordinator. Because students are planning to transfer to other institutions, it is essential to choose an intended transfer institution as soon as possible and carefully follow the program described in that college's catalog, as four-year institutions vary widely. Students may complete this program at all of HACC's campuses through various modalities (e.g., on-campus/in-person instruction, hybrid, synchronous remote instruction and/or asynchronous instruction).

## Transfer Opportunities

This transfer curriculum is provided as a guide for students planning to transfer to a four-year institution. Transfer students may continue their education in a wide variety of social services fields, such as mental health, intellectual disabilities, substance abuse, gerontology, women's services and family services. Graduates of the program receive the training and education for positions in a number of social service fields such as social and human services assistants.

## Competency Profile

This curriculum is designed to prepare students to:

- Recognize the characteristics of culturally diverse populations
- Establish and maintain effective working relationships with clients and their families to plan treatments and/or services
- Perform case management responsibilities in a variety of settings
- Explain the ethics and laws applicable to the human service field

## PROGRAM REQUIREMENTS (TOTAL CREDITS = 63)
