

# SOCIAL SCIENCES, Associate in Arts Degree - 5090

Social Science Department

CIP Code: 45.0101

The Social Sciences AA program is designed for students who plan to seek a four-year degree in anthropology, economics, geography, political science, history, public administration, sociology, or related field, at a four-year institution. Students are able to select their social science courses to fit their area of interest through the Social Science electives. Since the requirements of senior institutions vary widely, it is essential to choose an intended transfer institution as soon as possible and carefully follow the program described in that institution's college catalog. This program may be completed entirely through asynchronous instruction. In addition, Students may complete this program at all of HACC's campuses through various modalities (e.g., on-campus/in-person instruction, hybrid, synchronous remote instruction and/or asynchronous instruction).

### Transfer Opportunities

This transfer curriculum is provided as a guide for students planning to transfer to a baccalaureate degree granting institution.

### Competency Profile

This curriculum is designed to prepare students to:

- Explain major theoretical perspectives in the field
- Describe basic research methodologies in the field
- Gain information from scholarly sources and to correctly provide citation of the same
- Define and utilize the basic terminology used in the field
- Demonstrate critical thinking skills by evaluating major issues or challenges in the field and present possible solutions
- Demonstrate critical thinking skills by applying major theories and/or findings in the field to cross-cultural and/or global issues
