* A minimum cumulative GPA of 3.0 and a previous bachelor's degree are required. Students will select a graduate program concentration and complete graduate-level coursework in their chosen graduate emphasis. Student may choose from the following graduate program emphases: Nursing Education, Nursing Leadership in Health Care Systems, Public Health, and Health Care Informatics. Students completing this concurrent enrollment program pathway will not receive a BSN but rather, GCU will confer an MSN upon completion of graduate program concentration requirements. *GCU reserves the right to update the MSN course requirements at any time with timely and proper notice.*

**100 Direct Practicum Hours (50 Leadership / 50 Community – Public Health): Clinical Placement Requirements and Field Experience Counselor Support
