This program serves as a foundation for students who plan to transfer to 4-year institutions for further study in fine art, graphic design, or specialty areas in the arts. Some students may wish to pursue the program for personal enrichment rather than as a transfer program. Since the requirements of transfer institutions vary widely, it is essential to choose a transfer school as soon as possible in order to ensure maximum transfer credits.

#### \*\*ADVISING NOTE: FOR ALL ART AND DESIGN STUDENTS

Students may test out of Art 133 if proficient on the MAC computer. To do so, please contact Professor Marjaneh Talebi at [mktalebi@hacc.edu](mailto:mktalebi@hacc.edu) @ HACC Harrisburg Campus.

**Students are encouraged to see their advisor  
to develop and review their individual educational plans**

**\*\*IMPORTANT ADVISING NOTES: FOR ART EDUCATION MAJORS**

**Advising Notes:**

1. Minimum GPA for ART Education Majors is 3.0.

*Advising Notes continued on page 2*

2. The transfer requirements for 4-year institutions vary from institution to institution. It is extremely important to identify the transfer institution early in your program here at HACC to maximize the transferability of your courses. ART Education majors should follow their specific transfer check sheet.
3. Admission to ART Education Advanced Professional Studies (junior and senior year curriculum at 4-year institutions) is not granted automatically. **Students must successfully complete the PAPA I Pre-Service Academic Performance Assessment <http://www.pa.nesinc.com/Home.aspx> and other curriculum requirements before they can be admitted to this "block" of classes at any 4-year institution.** It is suggested that you take these tests during the semester prior to transfer. **Students must also have a satisfactory Act 34 (Criminal Record Check), FBI Fingerprint Clearance, and Act 151 (Child Abuse) report. Please note:** the Act 34 - Criminal Background includes underage drinking violations, DUI, and any drug offenses. If ACT 34 or any other clearances might be a problem, you may want to speak with the education department at the transfer institution or consider another career option.
4. Admission into any art major at a 4-year institution will most likely require a portfolio review
