²History majors must participate in one of the following options:

Option 1 - An approved historical Internship ([INTE 391]/[INTE 394]) of up to nine credits during the academic year or during the summer in one of the following areas: Archives, Museums, Historical Libraries and Societies, Historical Preservation, Historical Research, Public History, or Richmond University Internships in London.

Option 2 - Participation in an approved study abroad program, with at least one history course in the semester's curriculum. That history course(s) will count towards either the core requirements or the elective requirements, and therefore will not increase the amount of credits required for the major. See the department for a complete list and more information about the study abroad programs.

³Fulfills Writing Enriched course requirement for major.

⁴INTE 391/394 must be taken for a letter grade to fulfill major requirement.
