HACC iOS Classes- Fall 2017:

To take an iOS class, each student needs to own an Apple iOS device of the required models. An iPad 4th generation, iPad mini 2, iPhone 5, iPod touch 6th generation or newer of any of these iOS devices (running iOS Version 10) is required for the course in 2017. In an iOS class, students will access and use HACC professor-created iTunes U courses, collections, and/or iBooks textbooks during the entire semester. Purchase of additional apps and iBooks or eBooks may be required. If you have any questions, please email your iOS class professor.
