Good evening, HACC students and employees.

I am writing to update you on today's efforts to reach a fair and fiscally responsible contract with the Harrisburg Area Community College Education Association (HACCEA), which is the union that represents the faculty employed by HACC.

HACC leaders met with the mediators today, Nov. 5, 2025, beginning at 5 p.m. The meeting was relatively short. The contract is still unsettled.

The HACCEA said that HACC faculty will **NOT strike** on Nov. 6, 2025, and **WILL** come to work on Nov. 6, 2025.

The next mediating session will be held on Nov. 7, 2025, at 10 a.m. We will update you after this session.

The College remains committed to reaching a fair and fiscally responsible contract that aligns with our core principles:

- Prioritizing student success
- Supporting the affordability of its offerings
- Providing all employees with comparable benefits
- Increasing wages for all employees while ensuring fiscal stability, as outlined in the College's **strategic plan**

Please visit **our website** for more information and updates.

Thank you!
